

Here are some of the verses which can be used to ask for money instead of gifts please let me know which ones you would like me to use asap. I would however suggest a smaller verse if you are wanting this added to the invitations as there won't be so much room and these are quite often put on a separate insert Thanks

1 . As you are aware, we have already
set up home together, and have many of the items
that would make traditional wedding gifts.
Therefore a gift of money towards our new life together
or vouchers from
Argos ~ Marks & Spencer ~ B&Q
would be greatly appreciated.
A wedding post box will be at the reception
on our special day for any messages, vouchers, money and cards

2 . We haven't got a wedding list, the reason we'll explain,
We have two of everything, our home is bursting with the strain!
So we shall need new furniture, for our new and bigger nest,
High Street shopping vouchers or a cheque would be the best.
So, if you'd like to contribute, to our soft and cosy rooms,
Our heartfelt thanks go out to you
with love
The Bride & Groom
x

3 . For a couple of years we've lived in sin,
We have a toaster, a kettle and a stainless steel bin,
Saucepans and towels we have many,
Corkscrews and flannels we don't need any,
We just want you with us on our special day,
But if you insist on a gift anyway,
We hope you don't think we're being funny!
But we'd really appreciate a gift of money,
We'll put it all together and buy something that's best,
As a reminder of our day and our wonderful guests.

4 . You're invited to our wedding day when we both say "I do"
And the most important thing to us is sharing our day with you.
As we've been "I doing" (for at least a year or two)
There's no wedding gift list as the things we need are few.
But if you're thinking of a gift, some money would be great.
Or gift vouchers from high street stores we'd much appreciate.
But the choice is really up to you, and we'd really like to say,
That the very best gift is you, with us, on our special day.

5 . We've got appliances galore,
it's not our first time as spouse;
What we'd really appreciate
is cash toward a house.

6 . As you know, we're getting wed.
We've got everything for our house - even the bed!
It doesn't matter, whether your gift is big or small.
Whatever you give, we'll appreciate it all.

7 . To celebrate our wedding you may wish to buy us presents
However this is not required, all we want is your presence
If you insist, we must admit, some money would be great
To help us do some home improvements at a later date.
If you still feel the need, to get us a small token,
We would appreciate vouchers for any shop that's open
Regardless of which choice you make, all we would like to say,
is come along and have some fun, on this our special day.

8 . So what do you get for the bride and groom
Whose house needs things in every room?
When shopping for a present please don't be rash
As there is always the option to just give cash!
We hope you don't find our request to be funny
But we really would appreciate a gift of money
And once we've replaced the old with the new,
We can look back and say it was thanks to you!

9 . We are sending out this invitation,
And hope you will join our celebration.
If to send a gift is your intention,
In modesty we would like to mention,
We have already got a kettle and a toaster,
Crockery, dinner mats and coasters,
So rather than something we've already got,
We'd appreciate money for our saving pot.
But, most importantly, we request,
That you join us as our wedding guest.

10 . More than just kisses so far we share,
Our home has been made with Love and Care,
Most things we need we've already got,
And in our home we can't fit a lot!
A Post Box we thought would be great,
(But only if you wish to participate),
A gift of vouchers, or even money,
Will be greatly appreciated (though a little funny)!
And once we've replaced the old with the new,
We can look back and say it was thanks to you!

11 . We would prefer your wedding presence
rather than your wedding presents
but if you really do insist
then please visit M&S for our gift list

12 . Love the joy of choosing gifts
and wrapping the chosen captive?
If thoughts elude in this regard...
money is attractive!
